I have read the above information carefully and have filled out this application honestly. I understand that omission of information and/or failure to answer all questions and sign the application can result in this application being declined. Also, if an omission or untruth is discovered after a foster takes place, I understand that Tiny Miracles Rescue reserves the right to annul the foster and reclaim the animal. I give Tiny Miracles Rescue permission to fully investigate the information provided as well as contact veterinarians and related officials. If the application passes this review, I agree to a home and yard visit on a mutually agreed date by a Tiny Miracles Rescue representative before an adoption decision is made.

In addition, I understand the foster decision is dependent on many factors. If my application is approved to foster, but a current animal isn't available for foster, my application will remain on file as "pre-approved," and I will not need to undergo the application process again.
